Because her life, radiant with the beauty of Christ, has been an inspiration over the years to so many students who have passed through our halls of learning; because she has given herself untiringly, wholeheartedly and unselfishly to enlightening, counseling, guiding, encouraging and comforting so many of us, we, the students of Lee College, sincerely dedicate this 1950 VINDAGUA to MRS. AVIS SWIGER.

*In the heart of dear old Cleveland
reared against the sky*

*Proudly stands our Alma Mater
as the years go by*

Greater glory, love unending, be forever thine!

*"Thy word is a lamp unto my feet,
and a light unto my path." Psa.119:105*

J. STEWART BRINSFIELD, *President*

Life in our country and in the world at large has become an experience involving incalculable possibilities of success or failure, happiness or sorrow, triumph or defeat. There is no way for one to escape the tremendous responsibilities involved in our complex affairs. Life poses problems to which answers must be given, decisions must be made, and most important of all, services for the betterment of mankind must be rendered.

The experiences of the past prove that good leadership is indispensable to good government. Qualified leadership is important in the home, the church, the educational system, and in political and economic affairs as well. It is not a matter of **who is right**. It is rather a matter of **what is right**. The peoples of the world must be brought face to face with facts and principles involved in every situation. There are too many men of policy. God give us leaders with principles, strong convictions, and moral strength—men and women of Christian character and resolution under God.

Lee College is training leaders. Has God called you? If so, Lee College offers an opportunity for academic learning, with spiritual understanding to strengthen the pleasures of college life with Christian fellowship.

THE ALUMNI ASSOCIATION

The Lee College Alumni Association was organized for "the promotion of fellowship among its members, for the fostering of a greater school spirit among its graduates, for the creation of interest in prospective students, and for the promotion of the general progress of the School." The Association is a young, yet a growing organization.

It extends to many parts of the globe. Alumni members serve as foreign missionaries, pastors, evangelists, and active laymen, as well as school administrative officers, teachers, prominent businessmen, and secretaries.

The ALUMNI NEWS is a section of the school publication, which is published monthly and sent to the members.

Each year alumni look forward with keen anticipation to the Alumni Homecoming for a joyous reunion.

FREEDOM OF RELIGION

These United States are widely known for their policy of freedom of worship as the individual so desires. Lee College also offers that right to all who are enrolled. And yet—even though freedom of worship is preached, is it practiced?

How do you worship? The usual answer is, "Through prayer, singing, praise services and the hearing of the Word." Well, then, is there freedom of worship when the Scripture reading is drowned out by a recounting yesterday's escapades by those in row behind you? When the sacred of prayer, individual or concert, is interrupted by giggles and whispers from the couple in front, or the entrance of late comers, is that freedom of worship? Can an individual really hear and enjoy the message of the occasion when those around are speculating about Johnny and Mary's romance, or contending whether Carnation or Pet milk is best for babies?

We are unfortunate, it is true, in

Student of the Month

WILLIAM T. RODGERS

One of the many students to be honored by the student body this year is William T. Rodgers. Mr. Rodgers is president of the Ministerial Club, a member of the Student Council, a member of the Supreme Council, and elected as the boys' representative of the student of the month. Other activities are sports, and he is a member of the Missionary Club.

Sports and reading are two of the activities in which Mr. Rodgers likes to relax from a day of hard studying. He says that one of the best ways to keep your health from breaking is to see that it gets the proper exercise, and he believes that clean sports is one way.

Mr. Rodgers has his family with him while here attending school. After graduation in May he plans to resume pastoral work in Alabama.

The entire staff gets in on the "dead line" rush.

THE MESSIAH

On December 13, the Mixed Chorus of Lee College presented for the first time Handel's "Messiah." It was excellently done under the capable direction of Mr. Gold, accompanied at the piano by Mrs. Meta Sherman. The "Messiah" is to be an annual presentation and will be looked forward to each year with great anticipation.

A GREAT REVIVAL

Psalm 85 gives a beautiful account of real yearning for a national revival. In fact, it would be exceedingly difficult for us to find words from the pen of a contemporary writer which would more adequately express the soul desire for a revival in the hearts of thousands of Christians in our day.

In February, the faculty and students of Lee College were visited by a gracious outpouring of the Spirit. God moved so mightily upon us until practically all problems were solved. As waves of spiritual power swept over the audience, hundreds were healed as they sat in their seats in the auditorium. So great was the move of the Spirit that students were healed in their dormitory rooms, just as God graciously met with us in the chapel auditorium. God was never more real. The results of this mighty revival will be told as long as our memory lasts. Its effects can never die.

SWEEPS LEE!

*"Then Peter said unto them,
Repent, and be baptized every
one of you in the name of Jesus
Christ for the remission of sins,
and ye shall receive the gift of
the Holy Ghost," ACTS 2:38.*

At the close of the revival,
thirty were baptized in water by
our President, Brother Brinsfield,
assisted by Brother George
Brazell.
